makes work easier

HL 425-24 SPARE PARTS LIST

REF. NO.: 36833

no.	name	qty
1	oil leveler	1
2	oil immersion lens ring	1
3	bolt m6x16	1
4	crank case cover	1
5	respirator	1
6	rubber gasket	1
7	bolt m8x20 left	1
8	block slice	1
9	crank	1
10	bolt m8x35	1
11	crank case	1
12	bolt m8x25	4
13	cylinder gasket	2
14	connecting rod	2
15	circlip	4
16	piston pin	2
17	piston	2
18	oil wreath	2
19	piston ring	4
20	cylinder	2
21	sell the son	4
22	valve plate gasket	2
23	valve clack	2
24	valve plate	2
25	cylinder seals	2
26	eliminate the sound machine	2
27	cylinder head	2
28	bolt m6x55	8
29	bolt m6x30	3
30	right angle bends	1

no.	name	qty
31	three-way elbow	1
32	connect the connector	1
33	sealing ring	1
34	brearing 6205	1
35	prop up the plank	1
36	nut m8	2
37	flat gasket $\phi 8$	2
38	revolve the electric capacity	1
39	start the electric capacity	1
40	junction box	1
41	motor cylinder (stator)	1
42	rotor	1
43	centrifugal switch	1
44	brearing 6205	1
45	the electrical engineering cover	1
46	bolt m6x35	3
47	lead the breeze cover blocks the plank	1
48	fan	1
49	block the turn 14	1
50	lead the breeze cover	1
51	fan cover	1
52	nut m5	5
53	bolt m5x12	5
54	from offend the bolt st4.8x16	4
55	the outside is hexangular bolt m8x25	4
56	the high pressure tube	1
57	tank	1
58	one-way valve	1
59	unload the lotus tube	1
60	connect core	1
